Re: Equal Employment Opportunity Plan (EEOP) for Kansas City MO Police Department

Dear Ms. Kathy Vestal,

The Office for Civil Rights, Office of Justice Programs, has reviewed and approved the EEOP Utilization Report that you submitted in accordance with the grant conditions set forth by either the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), Juvenile Justice and Delinquency Prevention Act of 1974, the Victims of Crime Act of 1984 or their implementing regulations. The plan that you submitted conforms to the online Guide to the Design and Development of an Equal Employment Opportunity Plan, which provides the essential information that the Department of Justice requires for our initial screening of your EEOP. The Department of Justice regulations for developing a comprehensive EEOP may be found at 28 CFR § 42.301 *et seq.* Your approved plan is effective for two years from the date of this letter, and satisfies the EEOP requirement for any subsequent grant awards received during the two-year period.

Your organization may, however, have additional civil rights compliance requirements if it receives funding from grant programs other than the ones listed above. For example, if your organization is a recipient of funding from the Office on Violence Against Women (OVW), your organization's non-discrimination policies and practices should also include prohibitions on discrimination on the bases of actual or perceived sexual orientation and gender identity.

If you have any questions regarding this matter, please contact the Office for Civil Rights at (202) 307-0690.

Sincerely,

X *Michael L. Alston*

Policy Statement:

The Kansas City Missouri Police Department provides equal employment opportunities to all applicants and employees, regardless of race, color, national origin, sex, religion or disability. The department does not condone or tolerate any conduct or practice by its employees, which may be construed as discrimination and/or harassment because of age, race,

color, national origin, sex, religion or disabilities. Additionally, the department will not tolerate any form of retaliation against a department member who reports discrimination and/or harassment or who participates in an investigation.

Step 4b: Narrative Underutilization Analysis

See Attachment

Step 5 & 6: Objectives and Steps

1. The Kansas City, Missouri Police Department will pursue a comprehensive plan to recruit, retain, train and promote the most qualified individuals and guarantee equal opportunity to all members for transfers and/or promotion. Each commander and supervisor has the responsibility to strive to meet these goals and to ensure equal opportunity for all members.

- a. Recruiters will recruit those who may not have previously considered a career in law enforcement by attending job fairs, high schools, college job fairs, community events and through neighborhood coalition groups.
- b. Emphasize the lateral transfer program that permits police officers from other law enforcement agencies to be hired near their current salary.
- c. Offer testing for police officer candidates periodically throughout the year. Broadcast testing dates via radio, television and social media.

2. Due to the highest under-utilization of females and under-utilization of minorities in other categories, the Department's goal, through our comprehensive recruitment and retention plan, is to maintain the highest number of qualified individuals for each position.

- a. Update video, printed publications, and website focusing on employment possibilities as a way to minimize the under-utilized categories and attract new applicants.
- b. Recruiters, the Office of Diversity Affairs commander, the Employment Unit commander, and all other police commanders, as well as the Chief of Police will remain in contact with prominent community leaders and organizations in an attempt to develop new recruitment and retention programs in conjunction with their organizations.
- c. Attend events specifically marketed to potential female applicants.

3. The Department achieved an improvement this reporting period in the under-utilization percentage of white females in the Protective Services Sworn - Patrol Officers Category (11%) from the previous reporting period (17%); the Department's goal is to continue to increase and retain the number of female Police Officer Candidates.

- a. Utilize female officers within our department to assist with recruitment efforts at career fairs and events marketed to potential female applicants.
- b. Maintain and update as necessary, the section on the KCPD website regarding women in law enforcement. Post pictures of women in various diverse positions throughout the department.

4. The Department will strive to retain the most qualified based on equitable performance applied to all members.

- a. Provide on-going training and a positive work environment to retain members rather than lose them to other employers.
- b. Human Resources will continually monitor all testing processes for promotion as well as for new applicants to ensure all testing processes are bias free.
- c. Continue to provide additional training sessions for members going through promotional processes.
- d. Continue to monitor and improve HR training block/Sergeants school for newly promoted Sergeants.
- e. Enhance professional staff development through cross-training, attendance of outside training programs and allow membership in job related professional organizations.
- f. Provide diversity training to all department members to ensure the Departments guidelines and philosophy regarding diversity are understood and perpetuated throughout the Department. Work closely with the Chiefs Office of Diversity Affairs.
- g. Work closely with the Chief of Police's Diversity Recruitment and Retention Work Group.

Step 7a: Internal Dissemination

1. Place an article in the Departments daily Informant newsletter to inform members that a copy of the EEO Short Form is available upon request in the Human Resources Division.
2. Update the link on the Departments intranet site (employee access only) to allow members access to the report.
3. Distribute a copy of the EEOP Short Form to Bureau Commanders and Board Members.
4. Place information in the Departments Annual Report and reiterate commitment to fair selection process hiring, promotions, and assignments.

Step 7b: External Dissemination

1. Update the link to the EEOP Short Form on the Departments public internet site.
2. Notify applicants, vendors and contractors that The Kansas City, Missouri Police Department is an Equal Opportunity Employer and has developed and EEOP Short Form that is available for review upon request in the Human Resources Division.
